Subject: I am against these bureacratic lobbyiests and let's get on with the best

I am against these bureacratic lobbyiests and let's get on with the best for all people involved. This has gone on far enough and it is time to do what is right and ethical. I am tired of this political Wrangling. Where are the people who were sent to Washington for the good of the voters? Get off of your fat duffs and let's be truthful for once. For shame!!!!

Sincerely,
Douglas Sargeant
